THE CAPE FEAR COAST

2023 Pride Festival

The 2023 Family Pride Festival is

...an opportunity to **demonstrate your commitment to diversity, inclusion, and equity**, and show your support for LGBTQ people and their family, friends, and allies.

The LGBTQ Center of the Cape Fear Coast's Family Pride Festival is a family-friendly event at the New Hanover County Arboretum that celebrates our community and promotes access, education, and equality for all! The Festival features family-friendly entertainment, nonprofit vendor booths, food, and fun for all ages.

There is no fee to attend the Festival, because **your sponsorship keeps the Festival free**, attracting an even bigger audience. The LGBTQ Center of the Cape Fear Coast is a 501(c)(3) charitable organization and a portion of the proceeds from the Festival support programs that serve local LGBTQ people.
